POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. A/20240906/7027

Incident linked to A/20240830/7043. My child and I are victims of corruption (public sector). I'm lodging this report to preserve, protect and defend the "sovereignty of the Republic of Singapore as an independent nation (incl. Commonwealth citizenship)" for all Singaporeans (esp. indigenous Malays).

I refer to <https://str.sg/JuK9> (see below)

SINGAPORE - In a small country like Singapore, it is inevitable that people appointed to high positions have deep connections with others they may have met through work, in school or even during national service, Home Affairs and Law Minister K Shanmugam said on Wednesday (Nov 4).

On how Singapore can ensure its system stays clean, Mr Shanmugam said it is essential to have a media that highlights such issues, a well-educated and aware population that holds the Government accountable, and Parliament where these issues are debated.

"Regardless of your rules, regardless of your system, the rot starts at the top. If the top is clean, then your systems can work well. We've got to make sure of that. And if it (the rot) starts, then very few things can save such a country."

It looks like Shanmugam (nicknamed Saint-mugam) doesn't intend to "save Singapore" when the rot starts at the top because he will also be removed from power alongside today's ruling PAP. He seems more concerned with "maintaining his power and protecting his position" than addressing corruption. As a victim of today's ruling PAP's corrupt practices, I now understand why the founders of Singapore set about entrenching a zero-tolerance stance towards corruption. I'll save Singapore by exposing corruption in the Singapore Public Service using large-scale events (good governance diplomacy involving harmful or deadly AI-powered satellite psychotronic responses).

Every corruption case is of public interest, hence it's in the public interest to broadcast all the facts openly. The most effective way to stamp out corruption from all levels of Singapore's society is to expose corruption in the Singapore Public Service openly, without fear or favour. When the Singapore Public Service adopts a strict zero-tolerance approach towards corruption openly, the private sector will follow suit and corruption will be minimized across all levels of Singapore's society.

Conquest begins with corruption - the only strategy Malaysia can use to steal Singapore's financial reserves estimated at more than S\$1 trillion is to convince 152,000 public officers that they'll live a better

Report No. A/20240906/7027

quality of life through bribery (coffee money) and corruption as a "Singaporean way of life under Malaysia's administration" and this would pave the way for a national referendum on a re-merger with Malaysia (under similar 1963 conditions) to be held and rigged without resistance. Sultan Ibrahim Iskandar wants to conquer Singapore to "claim credit" for "Johor hegemonism" as the overlord of Malaysia's rotating 9 royal families monarchy system. The National Day Rally is seen as the most important national speech of the year - I refer to <https://eresources.nlb.gov.sg/newspapers/digitised/page/today20090102-2.1.8> (see below)

I think Singapore as a whole will become a more gracious society because ... we will have large-scale events to create awareness. Mr Cyrus

Anything related to the National Day Rally is tied to the "sovereignty of the Republic of Singapore as an independent nation (incl. Commonwealth Principles)" - I've nothing against the ruling PAP but I'm dead against corruption, and today's ruling PAP is corrupt. Today, we know that Malaysia is using "corruption as a weapon" to steal Singapore's financial reserves estimated at more than S\$1 trillion - I urge all Singaporeans (esp. low-ranking public servants) to expose it, oppose it and work together with the "Righteous Nations" to cripple it. Covering up corruption will lead to a news story headlined: "Lawrence's wife dies of a heart attack at 12.30 a.m." - I've a reputation as a real ladykiller.
