POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. D/20240829/7024

Incident linked to G/20240823/7039. I'm lodging this report to preserve, protect and defend the "sovereignty of the Republic of Singapore as an independent nation (incl. Commonwealth citizenship)" for all Singaporeans (esp. indigenous Malays).

I refer to <https://www.cpiib.gov.sg/additional-charges/250324-additional-charges> (see below)

3. Singapore adopts a strict zero-tolerance approach towards corruption.

Corruption is a Malaysian way of life, but a culture of zero tolerance against corruption has become ingrained into the Singapore psyche and way of life. In addition, the CPIB is mandated to conduct procedural reviews for government agencies which may have work procedures that can be exploited for corrupt practices. COVID-19 was a "China-NATO strategy to corrupt governments worldwide" for "world settler colonialism" - COVID-19 also occurred during a time of Malaysia's political crisis. Qin Shi Huang's use of bribery and corruption of enemy officials was a key strategy to undermine rival states, facilitating his eventual unification of China. He used several tactics:

- 1) Malaysia's agents specifically targeted high-ranking officials and influential figures within Singapore. By offering substantial bribes, they tempted these individuals with financial rewards, promises of power or safe haven in Malaysia. This created a network of insiders who were compromised and loyal to Malaysia's interests.
- 2) Once corrupted, these officials often acted to sabotage Singapore's leadership and policies. They might provide Malaysia with sensitive information, give poor advice to their leaders or engage in actions that would lead to internal strife or weakened defences.
- 3) The bribes were not just monetary but also included promises of influential positions or privileges in Malaysia's administration if Singapore were conquered. This fostered distrust and paranoia within Singapore as leaders were unsure of whom they could trust.

Corruption obstructs justice and equality - making it impossible for Singaporeans (esp. indigenous Malays) to build a democratic society based on justice and equality so as to achieve happiness, prosperity and progress for our nation. CPO-000034-2022 triggered many deadly AI-powered satellite psychotronic responses because corruption is involved - corruption with Malaysia's covert and deceptive foreign interference in Singapore to steal Singapore's financial reserves estimated at more than S\$1 trillion is a very serious national security threat. The National Day Rally is seen as the most important national speech of the year - I refer to

POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. D/20240829/7024

<https://eresources.nlb.gov.sg/newspapers/digitised/page/today20090102-2.1.8> (see below)

I think Singapore as a whole will become a more gracious society because ... we will have large-scale events to create awareness. Mr Cyrus

Anything related to the National Day Rally is tied to the "sovereignty of the Republic of Singapore as an independent nation (incl. Commonwealth Principles)" - my top priority is to weed out corruption in Singapore to prevent Malaysia from using "corruption as a weapon" to steal Singapore's financial reserves estimated at more than S\$1 trillion. I'd advise corrupt public servants to surrender themselves to CPIB to prevent harmful or deadly AI-powered satellite psychotronic responses from happening to themselves or their loved ones (the persons they love the most). If CPIB chooses to ignore reports of corrupt practices - the responses will be doubly worse like a horror film in psychotronic movies.

CPO-000034-2022 is a case of corruption where public servants cheat "tax money" by generating fraudulent counseling fees (paid by public monies) for SSAs - this kind of cannibalism is most likely to involve Malaysia's covert and deceptive foreign interference in Singapore. The biggest challenge faced by Singaporeans today is a rotten, corrupt government that pretends to be clean by simply wearing white - talk clean but work corrupt.

E = Einstein.
