**POLICE REPORT (NP299)**

**CONTINUATION OF REPORT**

Report No. E/20240816/7022

Incident linked to G/20240809/7033. I'm lodging this report to preserve, protect and defend the "sovereignty of the Republic of Singapore as an independent nation (incl. Commonwealth citizenship)" for all Singaporeans (esp. indigenous Malays).

I refer to <https://www.channelnewsasia.com/singapore/istana-procession-israel-hamas-war-palestinian-watermelon-protest-activists-charged-police-4439131> (see below)

On Feb 2, a group of about 70 people had assembled along Orchard Road outside a shopping mall at about 2pm and walked towards the Istana. They carried umbrellas painted with watermelon images in support of the Palestinian cause amid the Israel-Hamas war.

The deliberate, unending Arab-Israeli conflict appears to serve several strategic purposes:

- 1) to compel NATO to support Israel against Arab nations, resulting in NATO being deeply bogged down in a prolonged conflict with the Arab world;
- 2) to trap indigenous Malays (Malay world), especially Indonesia - home to the largest Muslim population worldwide, with around 241 million people - into supporting the Arab nations against Israel, thereby diverting their focus and resources from addressing domestic challenges and struggles against rich Chinese persons;
- 3) to provide China with a pretext to persecute Uighurs due to their Muslim religious beliefs, framing it as a security measure within the broader context of regional instability;
- 4) to enable Arabs, Jews and Chinese to exert "geopolitical control (as a form of colonial domination and racial oppression) over NATO and ASEAN" through the manipulation and perpetuation of warfare.

The biggest beneficiary of this deliberate, unending Arab-Israeli conflict would be China. The conflict is seen as providing China with a pretext to persecute Uighurs, framing this action as part of a broader regional security measure, allowing China to pursue its internal policies under the guise of addressing a wider security threat. By manipulating the conflict, China might also gain an advantage in its geopolitical strategy - influencing NATO and ASEAN while managing its domestic and international interests.

Corrupt practices (unmerited referrals to SSAs by CPS and bribery arrangements between them) in CPS - "the insidious 'old boy' type, whereby no illegalities are committed" - will cause the fundamental structures of the modern state to be "eroded like the supporting beams of a house after termites have attacked". CPO-000034-2022 triggered many harmful or deadly AI-powered satellite psychotronic

Report No. E/20240816/7022

responses to the abuse of the law and will continue to do so until it ends. Corruption is a Malaysian way of life, now showing at the Singapore Public Service.

The Joseon Lee dynasty, descended from Han Chinese, can't survive in Seoul without settler colonialism that aims to exterminate indigenous male Koreans. The ROK's Indo-Pacific Strategy is a "colonial strategy (backed by China and the UNC)" targeting the indigenous people of ASEAN - the Joseon Lee dynasty serves as a bridge for China-NATO colonial alliance against indigenous people. Koreans in China are institutionalized as "Joseonjok" whereas Koreans in Russia are institutionalized as "Koryo Saram" and it's impossible for a "Koryo royal" to defect to "Joseonjok" - I refer to <https://eresources.nlb.gov.sg/newspapers/digitised/page/today20090102-2.1.8> (see below)

I think Singapore as a whole will become a more gracious society because ... we will have large-scale events to create awareness. Mr Cyrus

Anything related to the National Day Rally is tied to the "sovereignty of the Republic of Singapore as an independent nation" and Commonwealth citizenship, including the Commonwealth Principles declared in Singapore in 1971 - LHL has an AI command for me: Make Cyrus Adam die of a heart attack at 12.30 a.m. - body decomposed; neighbours smell; reporters come; judges burst out laughing in response to DR WONG MING YANG.

Cruelty begets cruelty - let's see who gets the last laugh.
