**POLICE REPORT (NP299)**

**CONTINUATION OF REPORT**

Report No. E/20241206/7017

Incident linked to G/20241129/7165. My child and I are victims of corruption (public sector). I'm lodging this report to preserve, protect and defend the "sovereignty of the Republic of Singapore as an independent nation (incl. Commonwealth citizenship)" for all Singaporeans (esp. indigenous Malays).

I refer to <https://str.sg/AbuC> (see below)

SINGAPORE - Foreign policy issues might not be "top of mind" for many Singaporeans but how the Government advances Singapore's interests abroad is critical to the country's ability to survive and thrive.

Prime Minister Lawrence Wong said this on Nov 8, pointing out that as the global environment grows more fraught, Singapore needs to work even harder to strengthen its network of friends and partners. It will also need to work with like-minded countries to shape international norms and rules, and find common ground on issues of shared concern.

Safe Management Measures (SMM) during COVID-19 were directed at Commonwealth Principles (rejecting coercion as an instrument of policy) - SMM were coercive, forcing Singaporeans to get vaccinated to enter shopping malls and other essential places. SMM were also testing the waters to find out whether public servants would obey "oppressive orders" from the top without question - for the purpose of exterminating indigenous Malays by lethal injection when the time is ripe. Both the PAP and the Singapore Public Service are cruel and corrupt - at first, they discriminate; when the time is ripe, they exterminate. Nobody anticipated that Hitler's anti-semitism in September 1919 would eventually come true - the Holocaust underscores the importance of addressing "racist ideologies" early and not dismissing them as mere rhetoric.

China aims to exterminate Uighurs in Xinjiang and Taiwanese aborigines are at a record low of 3% in Taiwan - very telling signs of settler colonialism by the Han Chinese. China doesn't "consistently opposes imperialism, hegemonism and colonialism" as it claims but works to strengthen its evil policy of settler colonialism with "like-minded countries" such as Singapore, Malaysia, Brunei, India, Israel-US and Saudi Arabia using "Nazi tactics". Today's China-Taiwan need Chinese Singaporeans to think evil, otherwise their evil policy of settler colonialism will fail.

The purpose of perpetuating "corrupt wars such as the Arab-Israeli conflict, Sino-Indian border dispute, China-Taiwan tensions, Korean conflict" is designed to keep their richest persons (incl. politicians and

government top brass, esp. intelligence agencies that own AI-powered Covert Satellite Psychotronic Weapons) in command of these wars to secure their positions of power for casteism - Israeli Jews always fight wars while American Jews always live the high life. The National Day Rally is seen as the most important national speech of the year - I refer to <https://eresources.nlb.gov.sg/newspapers/digitised/page/today20090102-2.1.8> (see below)

I think Singapore as a whole will become a more gracious society because ... we will have large-scale events to create awareness. Mr Cyrus

Anything related to the National Day Rally is tied to the "sovereignty of the Republic of Singapore as an independent nation (incl. Commonwealth Principles)" - I believe I'm the first non-Malay Singaporean to speak up for indigenous Malays under Article 152, and I'll continue to do so until both the PAP and the Singapore Public Service abandon their evil policy of racial discrimination against indigenous Malays.

Singaporeans will never surrender to corruption (incl. soft corruption and influence peddling). The current "corruption threat level at the top (ministers, permanent secretaries, directors) in the public sector" for 3.64 million citizens is CRITICAL. Vaccinating 3.64 million citizens against corruption (incl. judicial corruption) outweighs any "devastating political consequences" faced by today's ruling PAP. Cyrus Adam v Corruption (incl. judicial corruption) - which side are you on?
