POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. L/20240802/7043

Incident linked to D/20240726/7018. I'm lodging this report to preserve, protect and defend the "sovereignty of the Republic of Singapore as an independent nation (incl. Commonwealth citizenship)" for all Singaporeans (esp. indigenous Malays).

I refer to <https://str.sg/7Dgf> (see below)

Affendi Yusoff is accused of murdering Mr Fiqri Choo Iskandar at the 10th-floor lift lobby of Block 803 Yishun Ring Road at around 8.37am on July 27.

When The Straits Times visited the scene on July 27, the entire 10th floor had been cordoned off. Blood could be seen on the floor, parapet and walls of a unit.

Carrie Tan founded and led Daughters Of Tomorrow (DOT) - the word "Tomorrow" symbolizes "Ming colonialism" in Singapore. I'd advise PM Wong to "make today better than tomorrow and love his wife like there's no tomorrow" because a heart attack might happen after midnight. Care Corner is the most racist against Muslim children, believing they have backing from powerful politicians, but would be hit the hardest by Al-Qaeda's Satellite Psychotronic Terrorism. CPO-000034-2022 is a "clandestine operation" orchestrated by SID directed against indigenous Malays and triggers cardiac arrest in children born to public servants - cruelty begets cruelty.

China is helping NATO swallow up all Soviet satellites (from Eastern Europe to Central Asia) in exchange for Chinese economic imperialism in ASEAN (the richest persons in Singapore, Malaysia, Indonesia, Thailand and the Philippines are all Chinese persons bearing Chinese names) - China attacks anyone (esp. indigenous Malays) who pose a threat to the richest Chinese persons using AI-powered Covert Satellite Psychotronic Weapons, while NATO doesn't interfere - this is the "Strategy of forming a colonial alliance against indigenous people". NATO knows it's impossible to conquer Russia because of its massive nuclear arsenals and NATO plans to work with Russia to revive the Eight-Nation Alliance against China after swallowing up all Soviet satellites. NATO is set on world domination (= control of all countries, incl. their allies and partners) - the China-NATO colonial alliance is very unpopular with the former European colonial powers because it undermines their spheres of influence.

Psychotronic departments worldwide are hereditary - the children of psychotronic operators (mind controllers) will have access to AI-powered Covert Satellite Psychotronic Weapons, resulting in the "Leonid clique". Russians have psychotronic weapon to control the citizens of Singapore, Malaysia and

CONTINUATION OF REPORT

Report No. L/20240802/7043

Brunei in revenge for losing Estonia, Latvia and Lithuania to EU and NATO. The Joseon Lee dynasty, which is descended from Han Chinese, can't survive in Seoul without settler colonialism. Koreans in China are institutionalized as "Joseonjok" whereas Koreans in the USSR are institutionalized as "Koryo Saram" and it's impossible for a "Koryo royal" to defect to "Joseonjok" - I refer to <https://eresources.nlb.gov.sg/newspapers/digitised/page/today20090102-2.1.8> (see below)

I think Singapore as a whole will become a more gracious society because ... we will have large-scale events to create awareness. Mr Cyrus

Anything related to the National Day Rally is tied to the "sovereignty of the Republic of Singapore as an independent nation" and Commonwealth citizenship, including the Commonwealth Principles declared in Singapore in 1971 - Singapore is crucial to the survival of the Commonwealth as an institution. Don't bet on LHL. I think Indonesian pribumi are very gracious people - they never trap their Chinese Indonesian minority in a permanent underclass. On the contrary, they allow their Chinese Indonesian minority to be Indonesia's ruling class - controlling many of its large conglomerates and much of its wealth. I believe Chinese Singaporeans must learn from Indonesian pribumi and allow indigenous Malays to be Singapore's ruling class - controlling Singapore's financial reserves estimated at more than S\$1 trillion.
